## WORK

### UI/UX DESIGNER & FRONT-END 2018 - CURRENT

THINK TANK - MARKETING E COMUNICAÇÃO

I currently work for Think Tank - Marketing Agency, my job is to Design User Interfaces, Create and Define Digital Experiences and turn my designs into code (html5- Css3 JS and Wordpress) I work closely with the Graphic Design Team and Motion Design Team. Lately I have been involved with E-Commerce Projects for the group (Design and Develop E-Commerce Solutions with CMS)

### GRAPHIC, UI/UX DESIGN & WEB DEV. 2013-2018

FREELANCER

During almost 5 years I have been working as a freelancer for companies around the world where I have been involved with Design Projects and Web Projects as well. During this time I have developed even more my skills and learned new ones, as Project Management, Working Methods, Defining Budgets and Consulting as well.
